Nutritional information was obtained through analysis by our nutritional software, entitled ESHA Genesis R & D Nutritional Software, and information provided by suppliers. All nutritional information is based on standard ingredient servings and operations. The nutrition information contained in this section is based on standard product formulations. Variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, assembly at the restaurant level, and/or the season of the year. Certain menu items may vary from store to store and may not be available at all locations. The nutritional information provided includes a selection of the most popular items. It may not include all products found in-store. Information may be subject to change at any time. We continue to update this list to reflect changes that occur in our products. Eggsmart its franchisees, and employees, do not assume responsibility for a person's sensitivity or allergy to any food item provided in our restaurants.
